TAX BENEFITS FOR GIFTING RMD TO CHURCH
If you are 70 and 1/2 or older, one of the most tax efficient ways to give money from an IRA to your church is a Qualified Charitable Distribution (QCD). If you have a traditional IRA and are required to make a Required Minimum Distribution (RMD):

- You can have money sent directly from your IRA to the church. The money **must go directly** from the IRA to the eligible charity to receive QCD treatment.
- The amount of the gift will count towards the RMD for the tax yr. given.
- This can be particularly valuable if you use the standard deduction because you get the tax benefit without having to itemize.
- The amount is sent as a qualifying QCD from your taxable income.

If you have questions, feel free to speak with Todd Marston, Church Treasurer.
